WGSN OFF-SITE ACCESS USER GUIDE

Available from: https://www.wgsn.com/accounts/edu/

WGSN is a fashion and design database providing new images and reports on current trends, and catwalk presentations. It is used by designers around the world to predict trends and direct creative activity.

No login is required for WGSN on-site https://www.wgsn.com/home/WGSN, however you can create an off-site login whilst you are a student or staff member of Hunter TAFE.

CREATING AN OFF SITE LOGIN

Whilst on site on a TAFE computer, you need to go to https://www.wgsn.com/accounts/edu/

Click on the Create a New Account button. If the form doesn't open, use CHROME to access the web link.

INSTRUCTIONS

You will be asked to fill in three lines:

- FIRST NAME
- LAST NAME
- EMAIL

1. When you submit the form, you will be sent an email with a link to a password setting page.
2. Once you have created your password, you have access to WGSN off (and on) site.
3. When you access this program from home, be sure to use the website address above.

KEEPING YOUR OFF SITE ACCOUNT ACTIVE

You will need to log on to the database on-site, once every ninety days, to maintain access to your off-site login.

Use the link at: https://www.wgsn.com/accounts/edu/ for this purpose and select Login and Re-activate Account.

For problems please contact Newcastle TAFE Library
