- B. Signing into your personal account with your *PressReader account* details via the **Sign In** option on the PressReader homepage.

### Troubleshooting

*I do not see a statement that I have complimentary access for 30 days after logging in?*

Try to access PressReader with a private browsing window. Chrome *Incognito* : (Ctrl+shift+N)  
Edge *InPrivate* (Ctrl+Shift+P). This will remove or ignore any cached or saved browser settings.

*I'm being asked to pay for titles when I go to download them on my device.*

Your access has expired. Refresh your access via your device by following steps A & B above. Note that if you are no longer enrolled, you will not be able to refresh your access.
