

Log in using your TAFE Portal Username

- Log in to TAFE NSW Western Sydney Moodle using your **TAFE Portal Username** and **Password**.
- During enrolment, you received a NSW Department of Education user ID and password for your TAFE student account. For help with this, [Student Help portal](#).
- If you have forgotten your password, go to the Student DEC Portal: student.det.nsw.edu.au and click on “Forgotten your DEC user ID password?” and follow the onscreen directions for lost password.
- If you do not have your accounts details or are having problems logging into your DEC Portal, talk to your teacher or visit your College Customer Service ([college locations](#)) in person for help.

Getting access to a TAFE NSW Western Sydney Moodle course

- Log in to TAFE NSW Western Sydney Moodle using your **TAFE Portal Username** and **Password**. If you are have problems logging in talk to your teacher.
- Go to the address of the TAFE NSW Western Sydney Moodle course your teacher has given you.
Or
- In the “Find a Course” block type the name of the course and do a search.
- If asked enter the **enrolment key** your teacher has supplied. This is a once only key that lets you enter your learning space.

Log in as guest (*will give you access to the help sections*)

- You can login as a guest to view the open sections on TAFE NSW Western Sydney Moodle without having a TAFE DEC Portal username and password.
- In the TAFE NSW Western Sydney Moodle login box click on “Log in as a guest”.

The screenshot shows the TAFE NSW login interface. At the top is the TAFE NSW logo. Below it is a login form with a 'Username' input field, a 'Remember username' checkbox, and a blue 'Log in' button. To the right of the form are links for 'Forgotten your username or password?' and a message stating 'Cookies must be enabled in your browser'. At the bottom right, there is a 'Log in as a guest' button. A red arrow originates from the second bullet point in the text above and points directly to the 'Log in as a guest' button.
