ADOBE STOCK QRG

Adobe Stock Quick Reference Guide

Who can access Adobe Stock?

All TAFE students and staff can access free and selected licensed Adobe Stock images through their creative cloud account or via the Adobe Stock website.
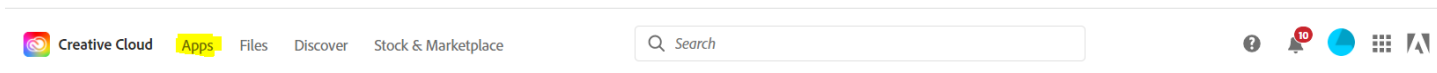

How do I navigate there?

You can access Adobe Stock either direct via their website https://stock.adobe.com/au/ or through the Creative Cloud app https://adobe.com/au

The process below documents the access via Creative Cloud
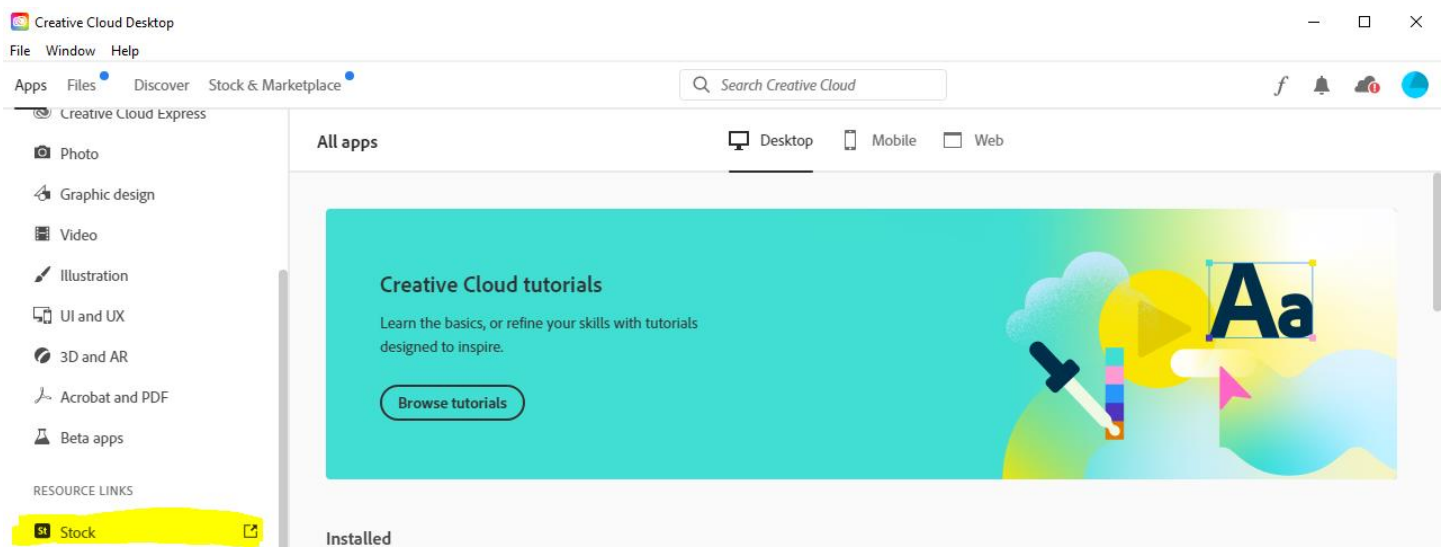

1. Sign in with your TAFE credentials

2. Click on the **Open Creative Cloud** button

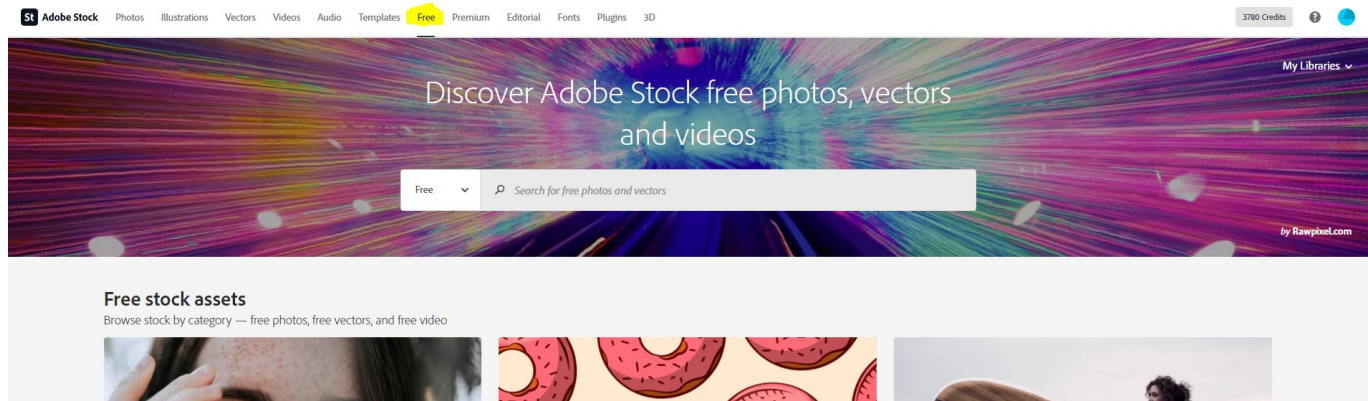

3. Click **Apps** in the top menu

4. Select **Stock** from the side bar
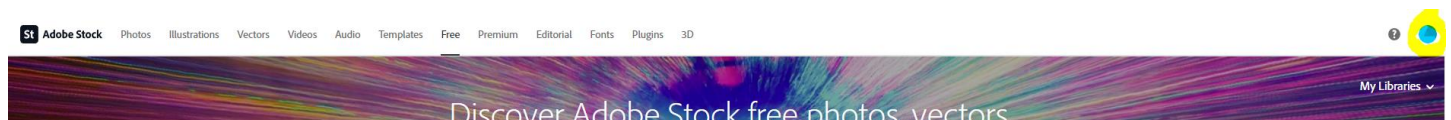

How do I get to the free stuff?

In the top menu of the Adobe Stock website there is a tab called 'Free'. Click on this tab and you will be able to search the free libraries in Adobe Stock.

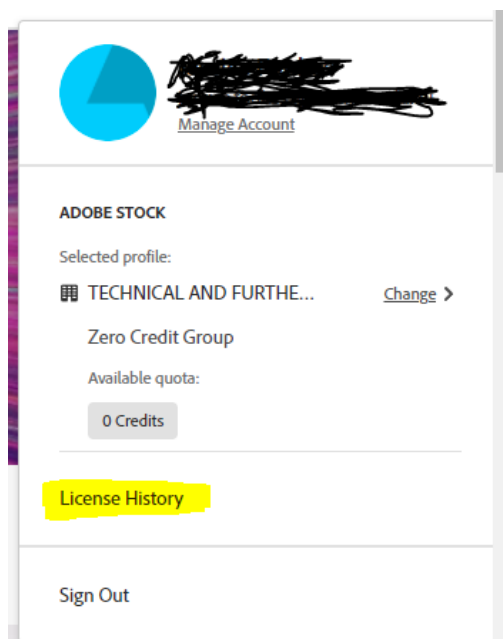

How do I locate the licensed stuff?

To get to the already licenced assets follow these steps:
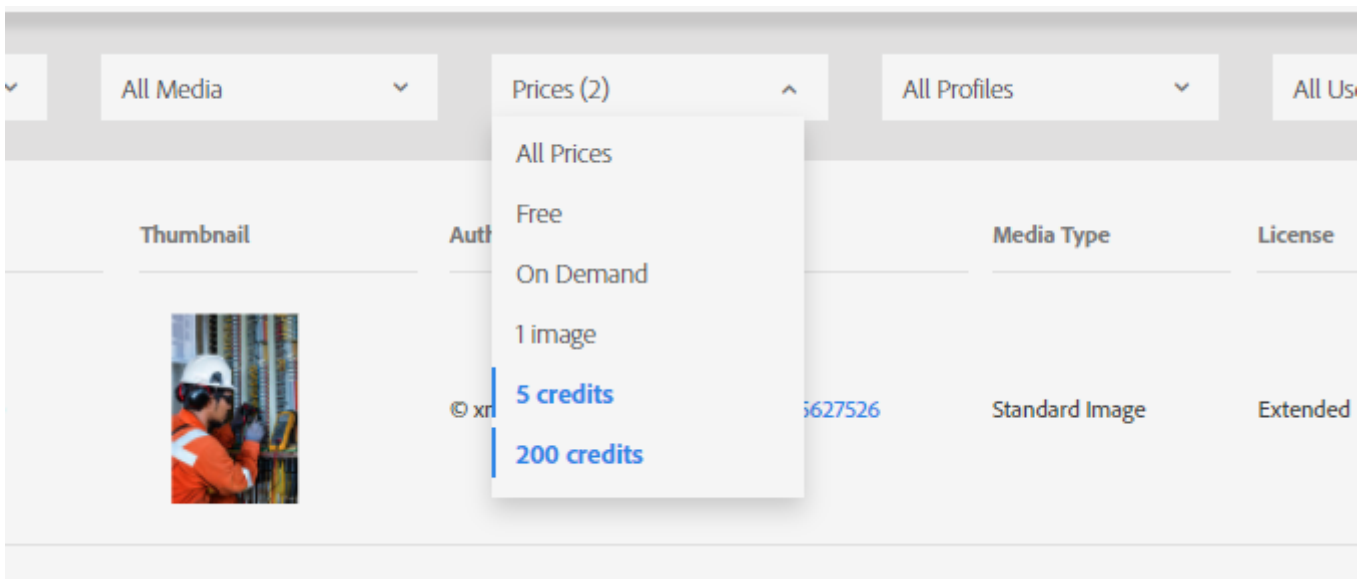

1. Click on the profile circle in the top right corner

2. Click on 'Licence History'

3. From this view you can search the already downloaded assets with the search bar or filters

4. In the 'All Prices' filter you can select the filters with 'credits' after them (e.g. 5 credits, 200 credits) to redownload (copy) assets that TAFE NSW has already purchased. You won't be able to purchase new assets.

5. Watch the October 2021 Adobe Stock LunchBytes session for more information (staff access only)
